FOR IMMEDIATE RELEASE (November 30, 2007)

“IT Expert Services is intended to change the way small businesses & consumers install, maintain & support their PC, workstations and networks by providing them a more efficient and cost-effective way to access support services.” Our website offers one centralized stop for support & solutions from ecommerce Help Desk solutions to excellent response times & customer service

Business professionals and consumers can access our website with any major credit card and get a wide range of IT Services at their finger tips. From using our toll free number to have an IT Expert remote control into their PC or Network to fix those hard to solve IT issues to discussing a network design to meet their challenges and budget constraints. Our philosophy is based on honesty, respect, and service. Our values guide the business & service our clients.
